national relations seemed assured

Driven later by desperation and swaved by the fevered passion of war, Germany violated her pledge and promise to America and entered upon a ruthless slaughter of the innocent. Reason, once successfully appealed to. gave way to violence and brute force prevails. The friendship of America to a power so reckless of the sacredness of its vows, so destitute of its regard for law and the principles of humanity was lost and the crisis

It is upon us. But the people of America are united with the president. They have seen gave the order to fire the wisdom of his policies of peace and justice, fairness and firmness vindicated in their domestic affairs. They will trust and sustain him is their foreign relations.

gouge the consumer again. They have

duction in prices cannot be justified. Plans had been laid by this indirect method to increase prices for the secand time in 13 months. The outensible excuse was increased cost of produc-tion. The federal trade commission of fectually ciddles that pretext by stat og that, according to the records of the companies, there has been no lo rease in cost to the operators in the ast four months of 1916, but in the mas of certain companies actually m decrease in the cost of production.

The big operators, with a virtual anopoly of the Pennsylvania supply of anthracite, have never been em burrassed by scruples about holding offered. For the last 15 years they have been raising their prives Jamp by jump, first on one pretense, then another. If the mineral wages were mcreased, the operators repaid themsalves twice over for the additional cost of mining cost. They began this policy of extortion after the great anthractte strike in 1902 and have faithfully practiced it ever since, ast advance in prices dates only from

So far the public has been helpless in the face of the anthracije mining companies. They have fixed their own prices, and consumers have had no Command In the present circumstances,

Sinking Relief Ships.

A Belgian supply ship lades with 10,000 tons of food for the starving women and children of Belgium was sunk only a few days ago by a German submarine. The supply ship was conspiguously marked. It was up Wilson Way Brings Victory armed The submarine communities must have known that it was bound for Belgium and that its cargo was to Through the intercession of Presi: supply the argent needs of the thous dent Wilson, the calamity of a pation-wide railroad strike, with all its perils and whose present condition was caus-
